**SECOND PART** and **Micro, Medium, Small Enterprise Technology Development center, Agra** referred hereinafter **PARTY OF THE FIRST PART** providing/coordinating services to the staff and students and/or developing infrastructure facilities.

Following the successful co-operation between the two institutions hereby confirm their wish to the Memorandum of Understanding on education, training and research collaborations. Both institutions agree to the development of joint activities to address issues of mutual interest designed to foster and promote collaboration in the field of education, training research and projects training scholarship through the following activities to promote Micro, Small & Medium enterprises in the country.

The parties to this Memorandum have the following common objectives:

1. To assure right delivery of the quality services at the appropriate time by the competent resource persons to the stakeholders;
2. To assure the application of services in a systematic way to have fruitful benefits to the stakeholders, and
3. To ensure always effective and efficient services for welfare and benefit of the stakeholders.

WHEREAS, NOW THIS MEMORANDUM OF UNDERSTANDING WITNESSETH AS FOLLOWS:-

1. Scope: Area and Method **of Co-operation.**

The area of co-operation includes any programme offered by either of the participating parties determined to be desirable and feasible for developing co-operative relationships. The methods of co-operation include, subject to availability of funds and

2

" the approval of each institution, research, training and academic activities or programmes such as : -

**1. Joint training courses, graduate and undergraduate student mobility such as internships, exchange and fellowships.**

2. Participation in and co-hosting of lectures, meetings, seminars, symposia and conferences.
3. Exchange of materials, publications and other information, within limits of legal rules and regulations.
4. Establishment of Metallurgy School and/ or Centre of Excellence for Robotics and Automation for Conducting Skill Development/ Training programs.
5. Collaboration in other areas that foster research training and educational co-operation.

Terms of each activity or program including budget for each program and activity, shall be discussed and agreed upon in writing by both parties prior to the initiation of the particular program or activity. All terms shall be negotiated on a mutual basis and documented in a project or program agreement. Such joint programs and resulting agreements shall specify the specific responsibilities and obligations of each party.

**2. Intellectual Property**

Procedures for the handling of intellectual property rights that may arise during the course of this collaboration shall be outlined in a separate document. All terms shall be negotiated on a mutual basis prior to the start of the collaborative project in questions and in accordance with the policies of each institution.

**3. Principles**

Implementation of this MOU will be in accordance with the Policies on co-operation of the PISPIE—Technology Development Centre, Agra and relevant policies at the GLA UNIVERSITY MATHURA. Participants under this PIOU will be selected on the basis of merit without regard to race, national or ethnic origin, colour, religion, age, sex, sexual orientation, marital status or physical handicap and will each accept the participants selected by the other party if mutually acceptable academic and/or professional qualifications and standards are met. All participants will be treated in the same non-discriminatory manner in carrying out the provisions of the PIOU, subject to the provisions of the policies and requirements of each of the institutions. Any violation of these Principles will be considered grounds for terminating this MOU.
