ABOUT THE UNIVERSITY

GLA University is one of the premier universities in India, situated in Northern India run under the aegis of Sri Jagannath Prasad Ganeshi Lal Bazaz Charitable Trust Samiti, established by present Chancellor, Shri Narayan Das Agrawal in 1998 to fulfill his father's dream, the Late Shri Ganeshi Lal Agrawal, of establishing an institute for quality education for the people and the region & beyond and to make the holy city Mathura a recognized destination for knowledge seekers from different spheres of life. GLA University, Mathura is accredited with coveted NAAC A+ Grade. Also, it is granted with 12B status from UGC, and is duly approved by UGC, AICTE, PCI, NCTE and BCI. It has signed MoUs with more than 200 national-international Universities and industries, GLAU has been bestowed with a membership of the Association of Universities of Asia and the Pacific (AUAP) and the association of Indian Universities (AIU). GLA University offers multidisciplinary education in Engineering, Management, Pharmacy, Education, Biotechnology, Polytechnic, Science and Humanities, Education, Commerce, Agriculture Science and Law. The University is home to over 15,000 students and 630+ well-qualified, experienced faculty member, has more than 110 acres of verdant campus and boasts, more than 36,000 alumni worldwide.

VISION

We envision ourselves as a pace-setting university of Academic Excellence focused on education, research, and development in established and emerging professions.

MISSION

- To impart quality professional education, conduct commendable research, and provide credible consultancy and extension services per current and emerging socio-economic needs.
- To continuously enhance and enrich the teaching/learning process and set such standards, education and otherwise, that other institutes would want to emulate.
- To be student-centric, thus promoting the overall growth and development of intellect and personality of our prime stakeholders, namely students, so our alums are worthy citizens and highly sought-after professionals worldwide.
- To empower faculty and staff members so that the university's ambiance is one of harmony, mutual respect, cooperative endeavor, and receptivity towards positive ideas.

ABOUT THE CONFERENCE

GLA University, Mathura, proudly announces the ICSSR-sponsored International Conference titled **“Transforming Lives: Sustainable Health Solutions for India's Most Vulnerable Populations in Metropolitan and Non Metropolitan Cities”**, under the visionary theme of **Viksit Bharat@2047**. This conference is being organized as a part of ICSSR Sponsored Minor project F.No. 173/VVB@2047/2024-4424/NR&RD- A /SCD being organized in collaboration with co project directors from Jamia Hamdard, New Delhi and Dr. Vishwanath Karad MIT World Peace University, Pune

This conference seeks to explore sustainable strategies for addressing health disparities faced by vulnerable groups, including women, children, the elderly, and economically disadvantaged individuals across diverse regions of India. Through a robust agenda of research-driven discussions and deliberations, the event will spotlight the socio-economic and cultural determinants that impede health equity and propose innovative, technology-backed solutions to overcome these challenges.

By fostering collaboration among policymakers, academics, healthcare professionals, and community leaders, this conference aims to contribute to building a more inclusive and sustainable healthcare system, aligning with India's goal of becoming a developed nation by 2047. Together, we aim to illuminate pathways that ensure no one is left behind in the journey toward equitable health outcomes.

THEME

Transforming Lives: Sustainable Health Solutions for India's Most Vulnerable Populations in Metropolitan and Non Metropolitan Cities

SUB-THEMES

1. Health Disparities in Metropolitan and Non-Metropolitan Cities

- ✦ Examining the urban-rural divide in healthcare accessibility.
- ✦ Understanding the unique health challenges faced by urban slum populations.
- ✦ Addressing health inequities in peri-urban and remote areas.

2. Vulnerable Populations and Their Health Needs

- ✦ Maternal and child health: Addressing high mortality and malnutrition.
- ✦ Health concerns of the elderly in underserved regions.
- ✦ Impact of economic vulnerability on health outcomes.

3. Socioeconomic and Cultural Determinants of Health

- ✦ Influence of poverty, literacy, and gender inequality on healthcare access.
- ✦ Cultural practices and their impact on health-seeking behavior.
- ✦ Social stigma and its role in healthcare avoidance.

4. Technology and Innovation in Sustainable Healthcare

- ✦ Role of telemedicine and digital health in bridging healthcare gaps.
- ✦ Implementation of AI and data analytics for health solutions.
- ✦ Use of low-cost and innovative medical technologies for rural health.

5. Policy Frameworks and Health Programs for Vulnerable Groups

- ✦ Effectiveness of programs like Janani Suraksha Yojana (JSY) and NHM.
- ✦ Lessons learned from Integrated Child Development Services (ICDS).
- ✦ Recommendations for refining existing policies and introducing new frameworks.

6. Community Engagement for Health Equity

- ✦ Strategies for involving local communities in health interventions.
- ✦ Building trust and promoting cultural sensitivity in healthcare delivery.
- ✦ Case studies of successful community-based health programs.

7. Financing Sustainable Healthcare for Vulnerable Populations

- ✦ Challenges in funding healthcare initiatives for disadvantaged groups.
- ✦ Exploring public-private partnerships for healthcare innovation.
- ✦ Financial sustainability of health programs and interventions.

8. Legal and Ethical Perspectives in Health Equity

- ✦ Legal rights to healthcare for vulnerable populations.
- ✦ Ethical challenges in prioritizing healthcare for marginalized groups.
- ✦ Role of law and governance in achieving health equity.

9. Global Perspectives and Best Practices

- ✦ Learning from international programs addressing health disparities.
- ✦ Adapting global health solutions for the Indian context.
- ✦ Collaborations between global and local stakeholders for sustainable health.

10. Vision 2047: A Roadmap to Inclusive Health Systems

- ✦ Aligning healthcare goals with Viksit Bharat@2047.
- ✦ Building an inclusive health system through multi-stakeholder collaborations.
- ✦ Long-term strategies for achieving sustainable health solutions for all.

OBJECTIVES OF THE CONFERENCE

The conference by at large will set the premise of broad discussion on the issue of sustainable health solution for Vulnerable Populations. Further conference will also meet out the following issues:

- ♦ **Identifying Health Challenges:** To identify the specific health issues faced by vulnerable populations, such as high rates of maternal and infant mortality, malnutrition, and the prevalence of communicable and non-communicable diseases.
- ♦ **Analyzing Contributing Factors:** To analyze the socioeconomic, cultural, and systemic barriers that exacerbate these health challenges.
- ♦ **Evaluating Existing Policies and Programs:** To assess the effectiveness of current health policies and programs such as Janani Suraksha Yojana (JSY), Integrated Child Development Services (ICDS), and the National Health Mission (NHM).
- ♦ **Developing Tailored Interventions:** To propose community-specific health interventions that address local cultural practices and socioeconomic barriers.
- ♦ **Implementing and Evaluating Interventions:** To validate and implement these interventions and measure their impact on health outcomes.
- ♦ **Policy Recommendations:** To provide detailed policy and programmatic recommendations based on the research findings.

EXPECTED OUTCOME

Enhanced Understanding of Health Disparities and Challenges:

- ♦ Comprehensive insights into the health disparities between metropolitan and non-metropolitan areas, highlighting the unique needs of vulnerable populations such as women, children, the elderly, and economically disadvantaged groups.

Policy and Programmatic Recommendations:

- ♦ Practical, evidence-based recommendations to improve existing health policies and programs, including Janani Suraksha Yojana (JSY), Integrated Child Development Services (ICDS), and the National Health Mission (NHM), ensuring they are more inclusive and impactful.

Innovative Strategies for Sustainable Healthcare:

- ♦ Development of tailored, technology-driven health solutions, such as telemedicine and AI-backed tools, along with strategies for community engagement and sustainable funding models to address healthcare inequities effectively.

WHO CAN PARTICIPATE

- ♦ Academicians
- ♦ Social Workers
- ♦ Research Scholars
- ♦ Students
- ♦ Corporate
- ♦ Policy Makers
- ♦ Government Officials

REGISTRATION**

PUBLICATION OPPORTUNITIES

- Selected full research papers will be forwarded/promoted for publication in reputed journals
- Selected full research papers will be published in the form of edited E-book which will be distributed to all the registered participants presenting research papers in the Conference, copy of the same will also be submitted to the ICSSR.

IMPORTANT DATES

Submission of Abstract	January 15, 2025
Acceptance	January 20, 2025
Submission of Final Paper	January 31, 2025
Last date of Registration	February 05, 2025
Date of the Conference	February 12, 2025

COMMUNICATION DETAILS

icssrproject@gla.ac.in

+91 9997977699

SUBMISSION GUIDE LINES:

The abstract of the proposed research paper should not exceed 250 words. The full paper should be presented in a very logical manner with a maximum of 2500 words including tables and charts. Along with their affiliation, contact details of the authors (address, email, phone/mobile number, fax number) must feature in a separate first page; followed by title of the paper and Abstract and key Words. The reference style of the full-length paper must be made in APA style. Font size: 12 Times New Roman, Space: 1.5 and justified. Abstract and full paper should be send to the conference **email id: icssrproject@gla.ac.in**

Guide lines for abstract and full paper:

The abstract and full papers submitted to conference will be peer reviewed by a group of experts. Acceptance of the same for the presentation and publication will be communicated to the author (s) through the **email id: icssrproject@gla.ac.in**
